2017	255	1155	64
2018	64	322	15

* Election year.

[#] Excludes supplementary questions and questions ruled out of order.

Questions in writing are lodged by Members and published in the Notice Paper (the House's official agenda). Ministers provide written responses to these questions.

Questions without notice are those asked in the House during Question Time. The number of questions without notice asked in a year is partly determined by the number of sitting days in that year.
