THE PARLIAMENT OF THE COMMONWEALTH OF AUSTRALIA, CANBERRA.

VOTES AND PROCEEDINGS

OF THE

HOUSE OF REPRESENTATIVES.

No. 29.

THURSDAY, 28TH MARCH, 1935.

- 1. The House met, at half-past two o'clock p.m., pursuant to adjournment.—Mr. Speaker (the Honorable G. J. Bell) took the Chair, and read Prayers.
- 2. PRIVILEGE—LETTER REFLECTING ON MOTIVES AND ACTIONS OF MEMBERS.—The Order of the Day having been read for the resumption of the debate on the following motion of Mr. Blain:—That in writing a letter reflecting on the motives and actions of a Member of this House, and in writing a threat, the Chairman of the Sydney Stock Exchange, Mr. E. G. Blackmore, be adjudged guilty of contempt—

Debate resumed.

Mr. Blain asked leave to withdraw the motion.

Objection being raised, leave not granted.

Debate continued by Mr. Earle Page (Acting Prime Minister), who moved, as an amendment, That all the words after the word "That" be omitted, with a view to the insertion of the following words in place thereof:—

"the right of an individual, whose conduct has been criticized in statements made under cover of Parliamentary Privilege, to defend himself is as clear as is the right of a representative of the people to speak freely when public interest demands it. While considering the statements made by the honorable Member for the Northern Territory as being prompted by a desire to protect public interest, this House is of opinion that the letters of the Chairman of the Sydney Stock Exchange replying to the honorable Member's charges do not amount to a breach of Parliamentary Privilege, but are, in effect, the exercise of the right of the individual to defend himself when charges are made under cover of Privilege. While holding that opinion, this House considers that the Chairman was in error in addressing his letter to Mr. Speaker instead of direct to the honorable Member".

Debate continued.

Closure.—Mr. Earle Page moved, That the question be now put.

Question-That the question be now put-put.

Question-That the right of an individual, whose conduct has been criticized in statements made under cover of Parliamentary Privilege, to defend himself is as clear as is the right of a representative of the people to speak freely when public interest demands it. 3. ADJOURNMENT-MOTION FOR PURPOSE OF DISCUSSION.—Mr. Forde rose in his place, and said that he proposed to move the adjournment of the House for the purpose of discussing a definite matter of urgent public importance, namely, "The critical situation facing Primary Industries due to the restriction, and the threatened restriction of Australia's exports to the United Kingdom after August, 1935.'

Mr. Speaker thereupon called upon those Members who approved of the proposed discussion to rise in their places, and more than the necessary number of Members having risen accordingly-
