Discussion ensued.

Discussion concluded.

- 9 **SUSPENSION OF STANDING ORDERS MOVED:** Mr Young moved—That so much of the standing orders be suspended as would prevent the honourable Member for Port Adelaide moving—That the Parliament condemns the Minister's scandalous announcement today that the Government will spend \$300,000 in a propaganda campaign to publicise the Government's new housing policy, a campaign whose only beneficiaries could be the Victorian Liberal Party at next week's State election, and calls on the Government to immediately abandon this reprehensible waste of taxpayers' funds in line with its own now discredited rhetoric, and to immediately redirect these funds from propping up the Victorian Liberal Party to supporting people in genuine need, by such measures as increasing the miserly \$500,000 allocated for 1982-82 to emergency relief agencies in the face of a demonstrated annual need for over \$12 million to be spent in that area, or by providing the \$40,000 required from the Commonwealth for the Youth Accommodation Services Pilot Scheme for Latrobe Valley young people to the end of the current financial year, or by increasing spending on that Latrobe Valley project into next financial year, or by raising the permissible income for unemployment benefits from the current ridiculously low level of \$3 per week for under 18 year olds.
