RULINGS—

By Mr. Speaker—

Arbitration (Public Service) Bill (1922)—Amendment to motion for leave to bring in Bill ruled out of order, as it was a direct negative, 168.

Standing Order No. 119—Application to all motions.—On the question to refer to the Committee of Supply the Governor-General's Message *re* appropriation for a Supply Bill an amendment was moved, and debate continuing until two hours had expired after the time fixed for the meeting of the House—Mr. Speaker ruled that there was no differentiation in Standing Order No. 119 between Private Members' motions and Government motions. At the expiration of the two hours' time limit he had no option but to call on the Orders of the Day. The fact that the House had given no direction as to the Governor-General's Message did not affect the position. The receipt of the Message had been announced to the House and the House was quite at liberty to go into the Committee of Supply forthwith, 76.

And see "Privilege."

By the Chairman—

Amendments ruled out of order on the ground that their effect would be to increase the amount of the appropriation required—

Defence Retirement Bill (*Mr. Scullin*), 85.

Meat Export Bounties Bill (*Mr. Jowett*), 104.

Customs Tariff (Sugar) Amendments—An amendment with regard to sugar control is not one that can be moved in Committee of Ways and Means, 211.
