2011-	Christmas Island Tragedy (Joint Select)
2011-	National Broadband Network (Joint Standing)

The list does not include domestic committees appointed pursuant to standing or sessional orders.

The year of commencement is the year the committee was appointed or, in the case of committees with the same name appointed in successive Parliaments, first appointed. For the purposes of this listing a name change is treated as a separate committee.

Committees shown in italics and bold are committees of the 43rd Parliament.

Updates in red. Note that page numbers may differ from the printed document.
