

## This week at a glance

### 18 to 21 June 2007

On the first day of each sitting week the Senate Daily Summary (SDS) outlines the business scheduled for consideration in the Senate. On subsequent days, SDS provides a convenient summary of the previous day's proceedings in the Senate, with links to official Senate records.

Another document useful in tracking the business of the Senate is the [Dynamic Red](#), which records proceedings in the Senate as they happen.
