

Information Circular No: **2010/1** Date: 12 January 2010

TO: SENATORS, MEMBERS AND OTHER BUILDING OCCUPANTS

Parliament Drive One Way Road Upgrade Project

- 1 Parliament Drive will be resurfaced prior to the next Parliament sitting period.
- 2 The works have been programmed to minimise disruption and will be undertaken following the direction of traffic starting on the Senate side. Works will take approximately 1.5 days per side of Parliament House, and are scheduled as follows:
 - (a) Senate side: Monday 18 and Tuesday 19 January;
 - (b) Ministerial side : Tuesday 19 to Thursday 21 January;
 - (c) House of Representatives side: Thursday 21 and Friday 22 January;
 - (d) Senate/Ministerial/House of Representatives car park/slip road entries/exits: Saturday 23 January;
 - (e) Front entry side: Thursday 28 January to Saturday 30 January.
- 3 Access to and from car parks/slip roads will be interrupted for short periods during the works. The contractor will endeavour to maintain access and egress during peak periods. However, it is recommended that you use an alternative car park if you will require use of your car at lunch time on an affected day.
- 4 These works will not interfere with arrangements associated with the Australia Day Concert.
- 5 Emergency access will be provided if required.
- 6 A plan of these arrangements is attached.
- 7 For further information please contact Mr Michael Hughes, DPS Project Manager on (02) 6277 5184

Alan Thompson
Secretary
