TO: SENATORS, MEMBERS AND OTHER BUILDING OCCUPANTS

**Temporary closure of access from the Marble Foyer to Senate (Security Point 2), 20-24 December 2010**

- 1 Aussie's General Store kitchen is scheduled to be upgraded over the summer recess. This will affect the area adjacent to the doors controlling access from the Marble Foyer to the Senate (Security Point 2).
- 2 To allow the establishment of the Aussies construction site, this access point will temporarily close at 7:00am on Monday 20 December 2010.
- 3 During the temporary closure of Security Point 2, the north linkway security point on the first floor (near the Theatre and Viewing Rooms) will be open as an alternative access point to the Senate private areas. The hours of operation of the northern linkway access point will be the same as Security Point 2. Attached is a map showing the location of both access points.
- 4 Normal operations at Security Point 2 are expected to resume at 4:00pm on Friday 24 December, after the temporary construction hoardings have been erected. Once installed, the hoardings will not affect access through Security Point 2.
- 5 Aussies is scheduled to re-open on Monday 24 January 2011. The temporary construction hoardings are scheduled to remain in place until Friday 18 February.
- 6 Further information regarding access arrangements should be referred to Mr Murray Thompson, A/g Director Security, on (02) 6277 4701. For information regarding the project, please contact Ms Harriet Spring, DPS Project Manager on (02) 6277 5005.
