Changes to catering services in the Staff Dining Room

- 1 As part of an ongoing commitment to providing sustainable catering services within Parliament House in consultation with Intercontinental Hotels Group (IHG), DPS has decided to implement a number of changes to services offered in the Staff Dining Room on non-sitting days only.

- 2 From Monday 17 January 2011, a range of self-serve sandwiches and salads, as well as a pre-prepared stir-fry noodle dish, will be offered in lieu of the salad bar, sandwich bar and the wok station. A range of other hot dishes will continue to be offered for eat-in and take-away diners.

- 3 The sandwich bar, salad bar and wok station will operate as usual on parliamentary sitting days.

- 4 Feedback regarding these changes should be directed to the catering feedback email address at catering.feedback@aph.gov.au or to the Facilities Management section on 6277 5532.
