

Information Circular No: **2011/17** Date: 14 April 2011

TO: SENATORS, MEMBERS AND OTHER BUILDING OCCUPANTS

Temporary closure of access through Ministerial Basement Car Park Security Point

1 The Security Entry from the Ministerial basement car park will be affected by the delivery of some large equipment as part of a project to replace major items of cooling equipment (called Chillers) in one of the basement rooms of Parliament House.

2 As a result the Ministerial Basement Car Park Security Point will need to be closed from:

- (a) 10:00pm Friday 15 April 2011 until 7:00am on Saturday 16 April 2011; and
- (b) 1:00am until 7:00am on Saturday 14 May 2011.

3 During these times, alternative entry to Parliament House from the Ministerial basement car park will be through the Ministerial Entrance Security Point on the Ground Floor.

4 There will be some minor disruption to traffic entering and leaving the Ministerial car park during this time. Traffic management controls will be in place.

5 There will also be several car parking spaces in the Ministerial car park, which will be cordoned off earlier in the day in anticipation of the work.

6 For further information regarding this closure, please contact Vanessa Brinkley, DPS Project Officer on (02) 6277 5105 or Stephen Frost, Assistant Director Ministerial Wing Support on (02) 6277 6087.
