Purpose of listing —This listing has been prepared and published specifically to comply with the Senate Order of 20 June 2001, as subsequently amended, on government agency contracts.							
Confidentiality and disclosure provisions in contracts —DPS has confidentiality and disclosure provisions for all new contracts to make contractors aware of the policy that contractual documentation may be made available to parliamentary committees, the ANAO etc for reasons of accountability and transparency. Currently and in the future, contractors will be asked to identify specific information in their offers they consider is of a commercially confidential nature and to provide supporting reasons.							
Non-DPS contracts —A small number of contracts use terms and conditions other than those issued by the department, and these contracts have their confidentiality provisions noted in the table above.							
Costs —The cost to DPS to comply with the Senate Order in the development of this listing was approximately \$3,250 (based on hours taken multiplied by an hourly rate).							
Consideration # —The amount of consideration shown is GST inclusive and is the actual expenditure for the reporting period. Only contracts where expenditure during the reporting period is \$100,000 or more are listed.
