# ABOUT THE HOUSE

## What is About the House?

**About the House** is a full colour current affairs magazine. It provides up to date information on key national issues being considered by the House of Representatives and its committees, including industry and resources, employment, banking and finance, science and innovation, education, health, foreign affairs, defence and trade.

The magazine is read by 80,000 Australians from a range of age groups and backgrounds.

## Why advertise in About the House?

The About the House magazine is sent to a wide variety of Australians including Australia's top companies, government departments, community organisations, members of federal and state parliaments, local governments, lobby groups, libraries, schools, universities and thousands of Australian homes.

The magazine is a high quality colour publication with a commitment to publishing significant and current issues debated in the House of Representatives and its committees.
