DIGEST OF BILL

Purpose

To remove the sales tax exemption that applies to goods bought for the personal use of the Governor-General, State Governors and members of their families and to remove the exemption for non-Australian members of their staff.

Background

The Excise Tariff Amendment Act 1986 removed the concessions relating to the importation of goods for unofficial use by the Governor-General, State Governors and members of their families or for non-Australian members of their staff. This Bill will remove the special sales tax provisions that related to such people.

Main Provisions

Clause 4 will amend the First Schedule of the Sales Tax (Exemptions and Classifications) Act 1935 to remove the special provisions relating to unofficial use and non-Australian members of staff.
