Dear Joint Standing Committee on Migration

Submission to Inquiry into Multiculturalism in Australia

I am an Australian. People who come to live in Australia should also become Australians and adopt the Australian way of life.

The Australian way of life is good and I want it to stay good.

Multiculturalism in Australia creates problems. Multiculturalism in Australia creates division and conflict. Multiculturalism in Australia is bad and must be abolished.

Instead we must do everything in our power to encourage people to adopt the Australian way of life.

The Australian way of life encompasses the following attributes:

1. Rule of Law
2. Judeo-Christian culture
3. Constitutional Monarchy
4. English language
5. Westminster system
6. Federation of States
7. Democracy
8. Equality of sexes
9. Treat neighbour as you would like them to treat you

Yours faithfully
