Re: submission for strata title apartment property insurance increases

Dear Sir/Madam,

I would like to submit my submission based on cairns post news article on 11/01/2012 page 4, "time to act on premiums".

I would like to state that the body corporate insurance on my investment unit at [REDACTED], has quadrupled. Body corporate quarterly meeting statements, say that It has risen from \$40,000 to \$160,000 per annum.

This has been reflected in the doubling of the body corporate fees from \$890 per quarter, up to \$1777 for the quarter.

I hope this assists in your enquiries.
