# Recommendations

## Recommendation 1

**3.41** The committee recommends that the Government investigate the issue of heritage properties within the Australian Capital Territory that are located on designated Commonwealth land to ensure their protection and heritage status is not compromised with the repeal of the Register of the National Estate.

## Recommendation 2

**5.67** The committee recommends that the minister review the wording of proposed new subsection 179(6) in light of the above issue.

## Recommendation 3

**6.14** The committee recommends that the Government review the level of resources made available for the Department's administration of the Act.
