Senate Legal and Constitutional Legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Ms Gell

On behalf of the Disability Services Commission in Western Australia I thank you for providing the opportunity to make written comment on the draft amendment to the Civil Aviation Act 1988, namely the Civil Aviation Amendment (Relationship with Anti-Discrimination Legislation) Bill 2004.

The Commission's view is that it is the province of the Human Rights and Equal Opportunity Commission to examine this Bill in terms of its implications for Australian Government anti-discrimination legislation. The Commission would therefore support the comments/recommendations submitted by this agency.

Thanks again.

Yours sincerely

Dr Ruth Shean
