

Dear Julie,

I attach a copy of relevant sections of the United Kingdom's Sex Discrimination Act 1975 for the Committee's information (sections 47 and 48). The Act establishes an Equal Opportunities Commission which is responsible for reviewing the Act from time to time (section 53), however, the Act contains no 'review' provisions of the kind about which the Committee was asking in the hearing on 30 April 2004. The full text of the UK's Sex Discrimination Act 1975 is available via <http://www.eoc.org.uk/cseng/legislation/sda.pdf>

I hope that information is of assistance,

Alice
