

Information Circular No: **2009/7** Date: 4 February 2009

TO: SENATORS, MEMBERS AND OTHER BUILDING OCCUPANTS

Air conditioning unit failure

- 1 The air conditioning unit which failed earlier this week has been repaired to service level last night
- 2 Air conditioning of the building is once again fully operational.
- 3 Thank you for your patience and tolerance over the last two days while air conditioning services were below normal.
