

Amendment to General Business Notice of Motion No 992.

As listed on pages 16-17 of today's Notice Paper in the name of Senator Hinch

Omit paragraph (e), substitute:

(e) calls on the Federal Government to:

- (i) increase funding for Indigenous ranger programs on the Great Barrier Reef,
- (ii) assist in facilitating an Indigenous, Elder-led approach to making traditional hunting practices more sustainable, and
- (iii) **ensure that the Great Barrier Reef Marine Park Authority prioritises the development of Traditional Use of Marine Resources Agreements (TUMRAs) to more effectively manage the traditional use of dugong resources in cooperation with traditional owners and the Queensland Government.**
