NOTICE OF MOTION

Senator Kakoschke-Moore

I give notice that, on the next day of sitting, I shall move that the Senate:

(1) Notes:

- (a) The first Minister for Employment and Youth Affairs was appointed by the Fraser Government in 1978;
- (b) Subsequent Labor and Coalition Federal Governments have appointed Ministers with a portfolio concerned with youth, and the Howard Government had three different Ministers who held the youth affairs portfolio;
- (d) In 2013 the Abbott Government abolished the youth portfolio;
- (e) In May 2014, the Government advised it was planning a "focused and targeted approach" to consult with young people. Yet, this year is likely the last National Youth Week with no funding in the forward estimates. The Deloitte 2017 Millennial Survey suggests that young people struggle to engage with major political parties. Not having a Youth Minister acts as a clear signal that engagement with young people is not a priority for this Government;
- (f) Australia's youth unemployment and underemployment is an increasingly systemic concern. The current youth unemployment rate sits at 13.3 per cent. The youth underemployment rate sits at 18.3 per cent.

(2) Calls on the Government:

- (a) to appoint a Minister for Young People;
- (b) for this Minister to have a particular focus upon youth engagement, youth employment and transition to work; and
- (c) for this Minister to sit within the Cabinet.

NOTICE OF MOTION

27 March 2017

I give notice that on the next day of sitting I shall move that

The Senate —

(a) Notes:

- (i) That on six previous occasions the government has refused to release the business case and cost benefit analysis for the \$1.9 billion Perth Freight Link on the grounds that it would prejudice relations between the Commonwealth and the states;
- (ii) Given the resounding defeat of the Barnett Liberal government in Western Australia and the change of government on March 11, 2017 this ground is no longer applicable;

(b) Orders that the full un-redacted business case and cost benefit analysis for the Perth Freight Link be laid on the table by the Minister for Finance no later than 2pm Wednesday 29 March 2017
