

2016-2017

The Parliament of the  
Commonwealth of Australia

THE SENATE

## **Great Barrier Reef Marine Park Amendment Bill 2017**

*(Second reading amendment to be moved by Senator Rice, on behalf of the Australian Greens)*

At the end of the motion, add:

“, but the Senate notes that global warming is the greatest threat to the Great Barrier Reef and calls on the government to immediately take all available steps to stop the Adani Carmichael coal mine.”
