Removal of the Qantas Kiosk near the Staff Dining Room

- 1 Effective from Tuesday, 28 June 2011, Qantas will be decommissioning their "quick check" kiosk facility, which is located near the Staff Dining Room.
- With the increasing number of people checking in over the internet, coupled with the introduction of Qantas' next generation check-in facility at Canberra Airport, the kiosk is past its "use by date" and is being removed.
- Any queries regarding the removal of the Qantas kiosk should be forwarded to the DPS Facilities section via facilities@aph.gov.au.
