

Policy costing request—during the caretaker period for a general election

Name of policy:	Towards a Republic
Person requesting costing:	Senator Richard Di Natale
Parliamentary party:	Australian Greens
Date of request to cost the policy:	28 June 2016
<i>Note: This policy costing request and the response to this request will be made publicly available.</i>	
Has a costing of this policy been requested under Section 29 of the Charter of Budget Honesty (ie from the Treasury or the Department of Finance)?	No
Details of the public release of this policy (Date, by whom and a reference to that release):	http://greens.org.au/australian-republic
Description of policy	
Summary of policy (as applicable, please attach copies of relevant policy documents):	A participatory democracy process considering how Australia will become a republic, involving on-line and in-person citizen forums, a national jury of citizens and a national convention.
What is the purpose or intention of the policy?	To build momentum and consensus for a specific model for a republic to put to a referendum at the 2019 election.
What are the key assumptions that have been made in the policy, including:	
Is the policy part of a package? If yes, list the components and interactions with proposed or existing policies.	No
Where relevant, is funding for the policy to be demand driven or a capped amount? If a capped amount, are the costs of administering the policy to be included within the capped amount or additional to the capped amount?	Capped amount
Will third parties (for instance the States/Territories) have a role in funding or delivering the policy? If yes, is the Australian Government contribution capped, with additional costs to be met by third parties, or is another funding formula envisaged?	N/A

Are there associated savings, offsets or expenses? If yes, please provide details.	The \$160 million earmarked by the Government for the marriage equality plebiscite will be used to fund the proposed plebiscite on the threshold question. The holding of the republic referendum will be cost neutral.			
Does the policy relate to a previous budget measure? If yes, which measure?	No			
If the proposal would change an existing measure, are savings expected from the departmental costs of implementing the program?	N/A			
Will the funding/program cost require indexation? If yes, list factors to be used.	N/A			
Expected impacts of the proposal				
If applicable, what are the estimated costs each year? If available, please provide details in the table below. Are these provided on an underlying cash balance or fiscal balance basis?				
Estimated financial implications (outturn prices)^(a)				
	2016–17	2017–18	2018–19	2019–20
Underlying cash balance (\$m)	-0.8	-1.7	-1.7	-0.8
Fiscal balance (\$m)	-0.8	-1.7	-1.7	-0.8
(a) A positive number for the fiscal balance indicates an increase in revenue or a decrease in expenses or net capital investment in accrual terms. A positive number in the underlying cash balance indicates an increase in revenue or a decrease in expenses or net capital investment in cash terms.				
What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?	N/A			
Has the policy been costed by a third party? If yes, can you provide a copy of this costing and its assumptions?	No			
What is the expected community impact of the policy? How many people will be affected by the policy? What is the likely take up? What is the basis for these impact assessments/assumptions?	Small, encouraging public participation from individuals and organisations on the question of Australia becoming a republic.
