What is the purpose or intention of the policy?	To increase access to affordable, safe abortion services in Australia
<b>What are the key assumptions that have been made in the policy, including:</b>	
Is the policy part of a package? If yes, list the components and interactions with proposed or existing policies.	No

PBO Policy costing request—during the caretaker period for a general election

Where relevant, is funding for the policy to be demand driven or a capped amount? If a capped amount, are the costs of administering the policy to be included within the capped amount or additional to the capped amount?	Capped			
Will third parties (for instance the States/Territories) have a role in funding or delivering the policy? If yes, is the Australian Government contribution capped, with additional costs to be met by third parties, or is another funding formula envisaged?	No			
Are there associated savings, offsets or expenses? If yes, please provide details.	No			
Does the policy relate to a previous budget measure? If yes, which measure?	No			
If the proposal would change an existing measure, are savings expected from the departmental costs of implementing the program?	No			
Will the funding/program cost require indexation? If yes, list factors to be used.	No			
<b>Expected impacts of the proposal</b>				
If applicable, what are the estimated costs each year? If available, please provide details in the table below. Are these provided on an underlying cash balance or fiscal balance basis?				
<b>Estimated financial implications (outturn prices)<sup>(a)</sup></b>				
	2016–17	2017–18	2018–19	2019–20
Underlying cash balance (\$m)				
Fiscal balance (\$m)	-7.5	-3.1	-3.1	-3.1
(a) A positive number for the fiscal balance indicates an increase in revenue or a decrease in expenses or net capital investment in accrual terms. A positive number in the underlying cash balance indicates an increase in revenue or a decrease in expenses or net capital investment in cash terms.				
What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?	None
