Outcome Number: 7

Question No: 229

Topic: Indigenous Housing Costs

Hansard Page: 25/2/2011-CA29

Senator Scullion asked:

Can you give us the average cost of the 29 two-bedroom homes and the average cost of the 103 three-bedroom homes?

Answer:

Under alliancing, until a package is finalised and the pain/gain share is taken into account, the average cost of houses cannot be calculated. Across the life of the program there is a commitment to the average cost of a new home being \$450,000 plus contingency.
