Topic: Taxi Costs

Senator McKenzie asked:

How much did each department/agency spend on taxis in 2007-08, 2008-09, 2009-10 and 2010-11? Provide a breakdown of each business group in each department/agency.

How much did each department/agency spend on taxis this financial year to date? Provide a breakdown of each business group in each department/agency.

Answer:

NEHTA does not specifically capture the use of taxi charges as these are generally collected under travel costs. Whilst NEHTA operates an account with Cab Charge, not all taxi charges are incurred on Cab Charge. The total amount spent through Cab charge services for the last two financial years is listed below.

	Total (\$'000)
2009/10	405
2010/11	466
