ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

National e-Health Transition Authority (NeHTA)

Budget Estimates 2011-12, Supplementary Estimates

OUTCOME 10.2: e-Health

Topic: Lead Sites

Senator DI NATALE asked:

On what basis were the sites chosen? What were some of the criteria that were used?

Answer:

The Department of Health and Ageing led the process for the selection of the Wave 2 lead eHealth sites, including the development of the criteria for selection. NEHTA provided expert advice to the Department to assist in the selection of the Wave 1 sites, based on local readiness, support and capability.

NEHTA performs a managing agent role with respect of the lead sites only.
