Written Question on Notice

Senator Xenophon asked:

In relation to the Blewett Review, does FSANZ consider the overall findings of the Review should be given more weight than the specific recommendations?

Answer:

Food Standards Australia New Zealand (FSANZ) has noted the findings of the Review of Food Labelling Law and Policy (the Blewett Review) and awaits the whole-of-government response to the Review Report (*Labelling Logic*) that is being developed by the Australia and New Zealand Food Regulation Ministerial Council.
