Written Question on Notice

Senator Fierravanti-Wells asked:

In relation to each member of the Technical Advisory Group, were they part of the group in a personal capacity or as a representative of an organisation? If so, please state the name of that organisation. (Refer Page 44 Hansard 30 May.)

Answer:

The Better Access Evaluation Project Steering Committee (PSC) comprised members with specific experience, expertise and knowledge in relation to program evaluation and the delivery of mental health services.
