Question: E12-065

OUTCOME 1: Population Health

Topic: Prevention and Community Health Committee

Type of Question: Hansard Page 80, 31 May 2012

Number of pages: 1

Senator: Senator Fierravanti-Wells

Question:

Since that time, there has been further reference in minutes of meetings with the Parliamentary Secretary as part of the normal activities of that committee.

Answer:

The Minutes of the National Health and Medical Research Council (NHMRC) Prevention and Community Health Committee (PCHC) for the 2009-2012 triennium refer to a further meeting between the Chair of PCHC and the Hon Mark Butler MP, the then Parliamentary Secretary for Health, on 12 April 2010.

This meeting was arranged between the PCHC Chair and the Parliamentary Secretary.
