Budget Estimates 2012-2013, 30 & 31 May and 1 June 2012

**Question: E12-323**

**OUTCOME 11: Mental Health**

**Topic:** headspace

**Type of Question:** Written Question on Notice

**Number of pages:** 1

**Senator:** Senator Fierravanti-Wells

**Question:**

Please provide a table updating the list of headspace sites that are operational with the following information (Location, Date of Announcement, Date of Funding Agreement, Funding Recipient, Completion of Contract, Status of Local Government Approval, Date of Construction commenced or proposed construction, Proposed Opening Date, Service Delivery).

**Answer:**

The table at Attachment A provides requested information.

Please note that:

1. Rather than the date of announcement, the table includes a column which identifies the relevant funding round for each site. The funding rounds were announced as follows: round 1 – 2006; round 2 – 2007; round 3 – 2010; round 4 – 2011.
2. 'Completion of Contract, Status of Local Government Approval, Date of Construction commenced or proposed construction' information is not provided as headspace centres usually lease existing premises rather than constructing new premises. The consortium responsible for operating a headspace site is responsible for obtaining relevant council permissions, where required.
