

**Senate Community Affairs Committee**

**ANSWERS TO ESTIMATES QUESTIONS ON NOTICE**

**HEALTH AND AGEING PORTFOLIO**

Budget Estimates 2012-2013, 30 & 31 May and 1 June 2012

**Question:** E12-415

**OUTCOME 10:** Health System Capacity and Quality

**Topic:** Health and Hospitals Fund - Forecast Project Completion Months

**Type of Question:** Hansard Page 100, 30 May 2012

**Number of pages:** 4

**Senator:** Senator Fierravanti-Wells

**Question:**

Just in terms of infrastructure and in relation to those various rounds. We have lists of all the projects but do we have the lists of projects that have been completed, or estimated completion dates for those projects? A bit like the GP superclinic table—that would be helpful.

**Ms Halton:** It is a much longer list, this one.

**Ms Flanagan:** I shall defer to my colleagues, but I believe that we have some finished from earlier rounds, or close to finalisation.

**Ms A Smith:** I will take that on notice, but we do have a list of those completed from rounds 1 and 2. There is a range that are completed in those rounds and we can provide it.

**Senator FIERRAVANTI-WELLS:** And presumably in relation to the other rounds there are estimated completion dates?

**Ms A Smith:** For all of the projects?

**Senator FIERRAVANTI-WELLS:** Yes. Would you kindly provide those?

**Ms A Smith:** I think that is okay.

**Answer:**

Attachment A is a list of completed Health and Hospitals Fund projects as at July 2012.  
Attachment B is a list of projects with Forecast Project Completion month as at July 2012.  
Please note: forecast dates may change as a result of unplanned event such as severe weather conditions, building supply delays and unexpected construction issues.
