DEEWR Question No. CA0015_14

Senator Payne asked on 7 June 2013, Hansard page 63

RJCP - funding deeds

Question

Senator PAYNE: No, I had two questions. The first one is specific to the locations: so, did any organisations receive funding deeds who had not worked in the remote locations for which they were seeking contracts in any capacity or in a job service capacity?

Ms Milliken: I would need to take it on notice but I think the answer is probably no, in terms of looking at a region, whether it is the organisation that is the one that has been awarded the contract or a subcontractor who has been announced as part of their operational arrangements.

Answer

All Remote Jobs and Communities Program providers (that is, as applicable, the organisation as a single entity or, where a partnering arrangement, one or more of the provider's consortium members, joint venture partners or subcontracted organisations) announced as successful had worked in the region for which they were selected.
