**Question**

**RJCP - Unsuccessful employment service providers**

Senator PAYNE: How many existing employment service providers in the regions who submitted EOIs for the RJCP funding were not successful?

Ms Milliken: I am unable to provide details on applicant organisations.

Senator PAYNE: I did not ask you for any details on applicant organisations. I asked you how many existing ESPs were unsuccessful. I do not care who they were or where they were. I just want to know how many.

Ms Milliken: I do not have that information with me. I would need to take that on notice.

Senator PAYNE: Please do take it on notice.

**Answer**

Of the 63 Job Services Australia, Disability Employment Services and Community Development Employment Projects Program providers in the remote regions which submitted applications in response to the *Call for Expressions of Interest for the conduct of the Remote Jobs and Communities Program 2013-2018*, 43 providers were selected to provide RJCP as a single entity, lead, member of a consortium or joint venture, or as subcontractor.
