OUTCOME: 8 - Indigenous Health

Topic: Renal Health Data

Type of Question: Hansard Page 40, 7 June 2013

Senator: Siewert

Question:

Can you also give us the waiting lists and demand being placed on Alice Springs at the moment in terms of renal patients? If there is any other regional data, do you have up to date figures on what waiting lists are and what demands there are on the services?

Answer:

The Australian Government is not provided with this information. Waiting lists, if they exist for dialysis services, are a matter for individual services and the Northern Territory Government.
