**Senator Scullion** asked:

How much additional capital has the IBA invested in the Wildman Wilderness Lodge and how does that affect the expected returns on the investment?

**Answer:**

Indigenous Business Australia invested a further \$4,800,000 to complete the redevelopment of the Wildman Wilderness Lodge site, which now provides upmarket accommodation facilities and experiential touring options for domestic and international visitors into the Top End. Without that additional capital Wildman could not have been redeveloped to the standard required.
