Topic: Quad Bike Accident - Wildman Wilderness Lodge

Hansard Page: Written and CA53-7 June 2013

Senator Scullion asked:

I understand that a Deputy CEO of the Indigenous Land Corporation was involved in a quad bike accident in the Northern Territory. Did ComCare investigate the matter and was any compensation paid? Please provide a copy of any ComCare report made available.

Answer:

An Indigenous Business Australia (IBA) staff member was involved in a quad bike accident at the Wildman River Wilderness Lodge.

After conducting initial inquiries into the incident, Comcare has advised IBA that its conduct does not warrant any further action.

Comcare has not issued any report.
