Question No: 029

Topic: Electoral Reports

Hansard Page: Written

Senator Fifield asked:

Are there plans to publish a full suite of electoral reports on the Department's website? If not, why not? If so, when? What data will be included?

Answer:

It is proposed that the Department will provide grant information on its website, presented by Statistical Division, Statistical Sub-Division, Statistical Local Area and Commonwealth Electorates. The Department hopes to have this data available in 2011. The Department is still working to improve the quality of the data to ensure its accuracy across spatial boundaries.

The data to be included will cover:

- the funding recipient;
- a description of the purpose of funding;
- the grant amount;
- the grant duration; and
- the service delivery locations.
