Topic: Electoral Reports

Hansard Page: Written

Senator Fifield asked:

Has electoral specific data been used by the current Government in any grants scheme since November 2007?

Answer:

The Department does not prepare progress reports on implementation of Government/FaHCSIA grant programs by electorate. The Department from time to time prepares briefs with factual information on a specific location (which may include one or more electorates) to support a senior official or Ministerial visit or event.
