Hansard Page: 21/10/10 - CA38

Senator Fifield asked:

Are you able to provide the status of each election commitment from the 2010 election? Also for the 2007 election commitments within the portfolio?

Answer:

All 2010 election commitments are in progress with some subject to legislation being passed.

As advised in QoN 233 from Additional Estimates 2010, the department advises Government on progress in the implementation of its full range of priorities. The majority of 2007 election commitments are completed. A small number remain ongoing.
