2010-11 Supplementary Estimates Hearings

Outcome Number: 2

Question No: 103

Topic: Social Housing Dwellings

Hansard Page: 21/10/10 - CA69

Senator Furner asked:

Do you have figures in respect of the dwellings in regional centres at all?... can I get a breakdown in terms of those locations?

Answer:

The attached table provides a list of regional locations and the number of dwellings to be built in each. The list is current as at mid November 2010.

The location of dwellings were determined by jurisdictions, although the Commonwealth did review locations to ensure projects did not create an over-supply of social housing within a suburb or where there was a potential for this to occur, required a jurisdiction to have in place a management plan for those areas.
