Question No: 155

Topic: \$1 million for digital playback devices

Hansard Page: Written

Senator Fifield asked:

Will FaHCSIA purchase equipment and provide it to libraries, or will libraries receive funding to purchase items themselves?

Answer:

FaHCSIA will fund a service provider to purchase a range of suitable playback devices and assess bids from libraries and distribute the devices to libraries whose applications are approved. This will ensure value for money in this procurement.
