Question No: 171

Topic: Disability Services – Unmet Need

Hansard Page: Written

Senator Fifield asked:

In the interests of open and transparent government, will the Department commit to sourcing these reports from State and Territory governments and publishing them on their website on a regular basis?

Answer:

No. As answered in QoN 169, the South Australian report *The Provision of Disability Services in South Australia* and data from the Victorian Disability Support Register are already available on the following websites:
