Topic: Children's Policy Funded Programs

Hansard Page: Written

Senator Cash asked:

How does Children's Policy assess the efficiency and effectiveness of the funded programs?

Answer:

All projects funded by the Children's Policy Branch are subject to the terms and conditions of the contracts/funding agreements entered into by the relevant consultant, including agreed deliverables and milestones. Payments against these contracts are made only when the Department of Families, Housing, Community Services and Indigenous Affairs is satisfied that these deliverables have been achieved by the consultant.
