Hansard Page: 21/10/10 - CA10

Senator Cash asked:

Could you find out for me, and you can take it on notice if you do not have the exact date here: what was the actual launch date of the AppointWomen register? Since the launch of the AppointWomen register, how many women have actually put their names forward on the website? How many government departments have utilised the AppointWomen register when seeking to make appointments? Do you know how many women have been successfully appointed to a board position or other government decision-making body from the AppointWomen register since the register was launched? Could you also then take on notice to provide the committee with a list of all successful appointments.

Answer:

See Question on Notice responses 194, 196, 197 and 198.
