Outcome Number: 7

Question No: 250

Topic: Qantas Direct Flights to the NT

Hansard Page: Written

Senator Siewert asked:

How many staff are based in the NT? How many are flying in and out on a regular basis?

Answer:

There are currently 271 FaHCSIA staff based in the Northern Territory.

It is unclear what would be considered to be 'a regular basis' in relation to the second question. Travel by staff based in the Northern Territory is determined by essential business requirements.
