Topic: Grants

Hansard Page: 21/11/2013 CA16

Senator Smith asked:

Can you provide details of any grants that were made by DSS in the period between the last estimates and the imposition of the caretaker period? Identify which grants were made in aged care and grants that were made under the settlements program.

Answer:

As a result of the Machinery of Government changes, we are unable to provide a single DSS wide response. The Department is now working with the programs moving to DSS to record their new grants on its website.
