**Question: E13-038**

**OUTCOME:** 0 - Whole of Portfolio

**Topic:** Media Monitoring

**Type of Question:** Written Question on Notice

**Senator:** Ludwig

**Question:**

- a) What is the total cost of media monitoring services, including press clippings, electronic media transcripts etcetera, provided to the Minister's office from 7 September 2013 to date? Which agency or agencies provided these services?
- b) What is the estimated budget to provide these services for the year 2012-13?
- c) What has been spent providing these services from 7 September 2013 to date?

**Answer:**

- a) The cost of media monitoring services, including press clippings, electronic media transcripts etcetera is covered by the one budget and the one service. The service covers the Department of Health, (including the Therapeutic Goods Administration, National Industrial Chemicals Notification and Assessment Scheme and Office of the Gene Technology Regulator), five portfolio Agencies and the offices of two portfolio Ministers.

The Department's financial system does not break down the cost of media monitoring services to the level required to separately identify details of services provided to the ministers' offices. This Department fully outsources its media monitoring services. The contract is provided by iSentia Media Pty Ltd, (formerly known as Media Monitors Pty Ltd), and requires minimal additional departmental resourcing.

- b) A separate budget is not allocated for ministers' offices.
- c) See answer to part b) above.
