Question: E13-062

OUTCOME: 0 - Whole of Portfolio

Topic: Printing

Type of Question: Written Question on Notice

Senator: Ludwig

Question:

How many documents (include the amount of copies) have been printed from 7 September 2013 to date? How many of these printed documents were also published online?

Answer:

Information is not readily available regarding the number of documents, printed quantities and delivery costs.

To compile this information would be a highly resource intensive process which the Department of Health is not currently in a position to undertake.

The majority of printed publications produced by the Department and portfolio Agencies are also made available online.
